

At Box Football we take the health and safety of all our customers and colleagues very seriously. We are facing unprecedented times with coronavirus and we have actively engaged with the feedback from the government agencies to ensure that we keep people safe.

In view of the recent escalation across the UK we feel that the most responsible course of action to take is to temporarily close our facility with immediate effect in order to protect the health and wellbeing of our customers and staff. We will work with our customers over the next few days to reschedule parties, training and activities that have been booked with us.

We will continue to monitor the situation closely in accordance with the government guidelines and intend to return to normal when the time is right. We greatly appreciate your support and patience during this difficult time, we will keep our Box Football family updated with any changes through our website and social media channels.

If you have any questions please email info@boxfootball.com or call 0161 441 5030
